

Homework Summer 2 2018

Year 6

All children are expected to complete the green squares, this is your core homework. Yellow squares are optional for those of you who want an extra challenge. **White squares are your home learning. Choose at least two of these to complete.** Date the squares as you complete them. All homework is to be brought into school by **Monday 9th July when we will have time to share our learning with others before the end of term.**

PSHE Challenge	Art / DT	Food Tech	Maths Challenge
Write a guide on "How to Survive Year 6" to help the new Year 6's in September.	Create your own Egyptian mummy!	Investigate different Egyptian foods and try them out!	Use 2 sets of 0-9 cards. What is the: Largest even number you can make? Largest odd number? Number closest to 5000? Now choose your own criteria and repeat.
Research	English Task	Maths Task	Computing
Find out what was placed in an Egyptian tomb. Draw or make your own version of something. Explain why it was put in the tomb.	Write an action hero story involving a member of your family. Could your mum be the next Spiderwoman or your dog the new saviour of the world?	How many squares are there on an 8x8 Chessboard? Prove it!	Investigate the differences and changes between Ancient Egypt and Egypt in 2018. Produce a Power Point or Key Note presentation – don't forget to animate!
Reading Challenge	Music	Home Learning	Writing Challenge
Read a book of your choice. Write a review and submit it to your local library.	Produce a song/rap about Ancient Egypt.	Your choice – what would you like to do to find out more about our topic?	Look at a selection of newspaper articles. Create your own newspaper article, on a matter that interests you.

Spelling rules to practice

- | | |
|--|--|
| <ul style="list-style-type: none"> • Wk1 • Wk2 • Wk3 • Wk4 • Wk5 • Wk6 | <ul style="list-style-type: none"> • Identify 10 words in the year 5/6 word list you can't spell and practise these • Words ending in '-ent', '-ence' and '-ency' • Identify 10 words in the year 5/6 word list you can't spell and practise these • Homophones • Strategies for spelling commonly misspelt words • Applying words from the statutory word list |
|--|--|

Number skills to practice

- You should still be securing all the times tables and their related division facts up to 12x12. Identify and practise any you are not secure in, including $0.5 \times 4 =$ & $0.5 \times 0.4 =$
- Add, Subtract, Multiply and Divide fractions with the same and common denominators.
- Practise all 4 operations including applying to problems involving BODMAS.
