

Homework Summer 2 2018

Year 3

All children are expected to complete the green squares, this is your core homework. Yellow squares are optional for those of you who want an extra challenge. **White squares are your home learning. Choose at least two of these to complete.** Date the squares as you complete them. **All homework is to be brought into school by Monday 9th July.**

Science Challenge	Art	DT	Maths Challenge
Explore what a simple food web is and create a poster to show to the class.	Sculpt and print using objects/ foods in your house.	Create your own junk model vehicle to transport food. (Lorry/Truck/Train etc.)	Write your own maths time problems using the 12 and 24 hour clock.
Going Places	English Task (do this one 1 st)	Maths Problem Solving (do this one 1 st)	ICT
Visit a local farm/factory and find out how the food/drink has been made and where it is taken to.	Write your own story about animals at a farm or a zoo. Write from the point of view as an animal. (Use your Learning Bricks to edit your writing)	Create your own healthy meal with a £5 budget. Add up the price of your ingredients, how much have you spent? How much change will you get from £5?	Create a leaflet using publisher/word document about where different foods you eat at breakfast comes from.
Music	Maths Problem Solving (do this one second)	English Task (do this one second)	Food tech
Write your own song about healthy eating.	Work systematically to solve the nrinch problem 'Maze 100'.	Write a newspaper article to persuade others to eat healthy meals. (Use your Learning Bricks to edit your writing)	Design and cook your own healthy balanced meal.
Reading Challenge	Research	Home Learning	Writing Challenge
Read a chapter of a fictional book and at least one piece of non-fiction (for example: a newspaper article) each week.	Research and produce an information text about what is in your dinner and where it comes from.	Your choice – what would you like to do to find out more about our topic?	Write your own poem about healthy eating. Use rhyming couplets.

Spelling rules to practice

- Wk1 • Revise the year 3 spelling words. Choose 5 you can't spell correctly and practise these.
- Wk2 • Explore the word families for 'play' 'real' 'happy'.
- Wk3 • Practise using suffixes – 'ness' 'ment' 'tion' 'sion' at the ends of words.
- Wk4 • Practise correctly using homophones (words that sound the same but are spelt differently).
- Wk5 • Practise adding these prefixes 'super-' and 'auto-' to root words.
- Wk6 • Practise correctly spelling these tricky words (fruit, opposite, ordinary, permission, possible).

Number skills to practice

- Count from 0 in multiples of 6, 8, 50 and 100 forwards and backwards starting on any number.
- Find 10 or 100 more or less than a given number.
- Know the 6 and 8 times table and related division facts.
- Read and write numbers up to 1000 in numerals and in words and practice the correct spellings.
