

Amazing America's – Part 2!

Overview of Our Topic: This half term, we will be investigating the similarities and differences between the physical and human geography of the UK and a country in North or South America. In DT, we will also be cooking this half term, making our very own North Mexican inspired Nachos! We will also continue to explore Earth and Space, following our exciting trip to Winchester Science Centre.		
Vocabulary. These are words that we will be using in our learning. To help the children learn these new words, please have some fun using the words at home in different contexts. <i>country, continent, cities, climate, human geography, physical geography, latitude, longitude, Equator and hemisphere.</i>		
English This half term, the children will be exploring another great quality text. They will be focussing on practical writing, such as writing a news report, producing a diary and developing their figurative language.	Science Our topic continues to be Earth and Space. We will be exploring about the movement of the moon and celebrating the 50 th anniversary year of the moon landing!	
Maths This half term we will be developing methods for the four rules, exploring measures including money, statistics, shape and fractions.	Music This half term, we will continue to explore music from across the Americas. We will also be using instruments to look at planning our own songs inspired from the music.	
Geography This term, the children will apply their skills and will be learning to identify and explore the human and physical features of contrasting places. We will also be finding out about the ancient wonders of the world.	Art & DT This half term we will be making our rainforest dioramas, exploring the work of a UK sculptor and making North Mexican inspired Nachos. A very creative half term!	
Computing Digital Literacy is part of the computing curriculum. This half term, the children will be developing their computing skills, learning to evaluate the effectiveness of different websites.	PE (Monday and Wednesday PM) This half term, the children will be learning and developing their skills in Hockey and Badminton. Don't forget PE kits!	
PSHE We will be exploring healthy relationships, whilst developing our own skills in self-compassion.	RE This half term we will be looking at the concept of being holy and focussing on Mary.	MFL In French this term, the children will be learning about Les planètes (The planets).
