

All children are expected to complete the green squares, this is your core homework. Yellow squares are optional for those of you who want an extra challenge. **White squares are your home learning. Choose at least two of these to complete.** Date the squares as you complete them. All homework is to be brought into school by **Friday 29th March where we shall share our learning with others in class before parents evening. You can bring in pieces earlier but it might be necessary to wait until this week to share them.**

Science Challenge	Cooking	RE	Maths Challenge
In the habitat of the British Woodland, find 10 to 20 animals or plants that live there. Group these items. E.g. Flowering/non-flowering plants, insects, mammals, molluscs, arachnids and/or other groups.	Choose and make a European meal together with an adult.	Design and create a box for a special poem or prayer.	Go to a shop and calculate how much you spend before you get to the checkout. Work out any change and check that it was correct.
Research	Maths Problem Solving	English Task	Art
Visit Southampton Docks and conduct a survey about what the dock is used for. Use this research to write a report about how the dock might be effected post-Brexit.	Choose your own 3 digit target number. Choose 4 numbers between 1 and 9. Choose 1 of the following numbers: 25, 50, 75 or 100. Try and reach your target number. Repeat with a different target number.	Create an adventure story about travelling around Europe in a hot air balloon.	Design a new flag for the UK to consider adopting after Brexit.
Reading Challenge	Music	Home Learning	Writing Challenge
Read a book of your choice. Create a character profile, explaining how they change throughout the book.	Practice the ukulele following on from lessons in class.	Your choice – what would you like to do to find out more about our topic?	Write ingredients and the method for creating your European meal.
