

Overview of Learning for Spring (2) 2018-19

Foxes

BREXIT

Enquiry question: Is trade with other places a good thing?

Overview of Our Topic

This topic builds on our Parliament & Power unit last half term and will immerse the children in British Values! Within this topic, we will explore who Britain currently trades with in the EU and comparing how land and places in the UK make money.

With so much going on in the news, this is the perfect topic for Year 6 to explore!

Vocabulary - These are words that we will be using in our learning. To help the children learn these new words, please have some fun using the words at home in different contexts:

European immigration negotiation exportation importation globalisation distribution

English

This half term, we will be exploring a book called "Goodnight Mr Tom" by Michelle Magorian, where we will look at the effects of World War 2 and evacuation. We will also be reading other great texts this half term to stimulate a lot of writing opportunities.

Science

This half term we will be learning about living things and their habitats, building on from our knowledge from Year 4. We will learn how to identify specific characteristics of species and classify animals. We will even create our own animal to survive in a given habitat!

Maths

We will continue to learn secure methods for the four rules. We will also be studying measure, shape, fractions and statistics (using graphs and charts to interrogate data)

Music

This half term, the children will be continuing their learning of the Ukulele.

Geography/History

We will be exploring the geography of the UK and Europe. We will explore which places in Hampshire trade with Europe and investigate the impact of Brexit on Southampton Docks.

Art / DT

This half term we will be putting our artistic skills to use again and creating our very own Dearsley Windows – more to be revealed later on!

Computing

In this topic we will be learning about computer networks, including how the internet works.

PE / Games

Our PE days this term are Tuesday and Thursday. However, please ensure PE bags are in school **all week** in case this needs to change.

PSHE

This term we will be learning about healthy relationships, feelings and valuing differences.

RE

In RE, we will learn about the concept of ritual, focussing on prayer.

MFL

In French this half term we will be learning about how to communicate when "out and about".
