

# Itchen Abbas Primary School 'Growing Hearts and Minds'

## Welcome to Our School

As you look at the photographs, see if you can find our little Teddy Bear!  
He's hidden in all the photographs!  
You might find him in our video too!

## Our School Field and Muga

This is where we play and have our lunch times. You will have PE here too. It is lots of fun and we have lots of adventures outside. We love our outdoor classroom and stage and you will be using that lots too.

# Squirrels Courtyard

This is the Squirrels outside play area. Out here we have a sand pit and water tray. We have bikes and trikes and a climbing frame for you. We even have a fantastic fun mud kitchen! There are lots more games and equipment for you to play with.

We come outside every day, even if it rains so bring your waterproof coats, trousers and wellies so you can carry on having fun outdoors!

# Hedgehogs Classroom

Our Hedgehogs children are a little bit older than you but you may know some of them from your pre-schools or older brothers and sisters.

This is their classroom and they have lots of fun learning with their teachers.

# Our Library

Do you know what a library is?  
It is where you can go to  
borrow books.

You will be able to borrow  
books from our library to take  
home and read with your  
family. We have books about  
lots and lots of different  
things. We have story books,  
picture books and lots of books  
which give you information and  
facts about exciting things.

## Mrs Dear's Office

Mrs Dear is our headteacher. She does lots of work across the school but can often be found here, in her office.

She loves it when you bring her your good work to see and will give you stickers to say well done.

## Mrs Smith's Office

This is the school office and where Mrs Smith works. Mrs Smith makes sure our school runs well and that we have everything we need. Your parents will get to know Mrs Smith very well.

## Our Hall

This is the room where we come together to have our assemblies. Sometimes parents come to watch.

We also eat our lunches together in here. Our teachers will help you get your lunches and make sure you have everything you need.

## The Otters Classroom

This classroom is where some of our older children learn. They are called the Otters. You will see our Otters children on the field and in the school and they will always help you and look after you.

# The Foxes Classroom

Foxes are our oldest children in the school. This is their classroom. Foxes children often do jobs around the school to help and they may even help you at lunchtime. They are very friendly and will be very kind to you and look after you in school.

## Our Kitchen

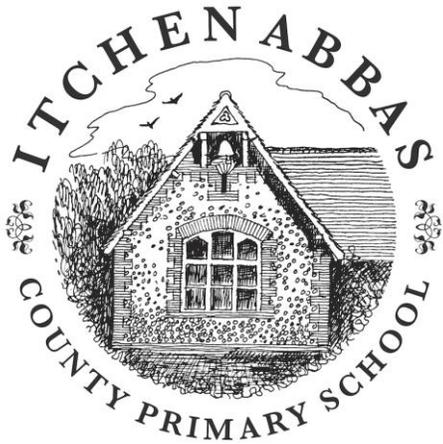

We love cooking at Itchen Abbas and this is the kitchen that you will use to do your cooking. We have cooked and baked all sorts of different things in here. I wonder what you like to cook?

# Our Teachers

Our teachers are great fun and can't wait to meet you all. Here we all are dressing up on World Book Day. Do you know who we all dressed up as?

We hope you enjoyed looking at our school.
