Hedgehogs overview of Learning for Autumn 2 2019/20

'What features affect the land use in villages, towns and cities?'

<p>Overview of Our Topic This half term Hedgehogs will continue to explore how land is used in different settlements. We will explore different coastal towns in the UK, as well as the four capital cities to help answer our enquiry question of where we would like to visit. We will continue to strengthen our map skills by locating different villages, towns and cities in the UK.</p>	
<p>Vocabulary. These are words that we will be using in our learning. To help the children learn these new words, please have some fun using the words at home in different contexts. agriculture, beach, border, bungalow, city, coastal, deforestation, factory, farming, flats, habitat, hamlet, high street, house, industrial, land use, local, national, population, rural, settlement, shop, town, urban, village.</p>	
<p>English Hedgehogs will explore different poems and write their own about animals. We will also be learning about environmental issues in order to write a persuasive poster to convince others to look after our environment.</p>	<p>Science Hedgehogs will continue to explore different animals and their habitats as well as learn about food chains. We will discover food chains in our local area and describe how animals obtain their food from plants or other animals.</p>
<p>Maths Hedgehogs will start the half term by exploring multiplication and division then linking this knowledge with fractions. We will be using our reasoning and problem solving skills throughout each learning journey.</p>	<p>Music With Mrs Primmer, Hedgehogs will be exploring the genre rhythm and beat of R&B music. They will develop their sense of rhythm by listening and performing different songs.</p>
<p>Geography In topic lessons, Hedgehogs will answer enquiry questions and explore different settlements including 'eco-towns'. We will discuss what problems some land settlements may face, such as flooding.</p>	<p>Art & DT This half term, Hedgehogs will be developing their textile skills by designing and making a small Christmas stocking or stuffed teddy. We will be learning different skills for sewing.</p>
<p>Computing This half term Hedgehogs will be going on a trip to the Apple Shop in Southampton where they will develop and apply their coding skills in groups. We will also be learning about e-safety and how to use the internet safely.</p>	<p>PE With Mr Robbins, Hedgehogs will be learning the skills to play tag rugby during outdoor PE sessions. In the class, we will consider the importance of exercise and the impact it has on our bodies.</p>
<p>PSHE We will continue to explore the impact our friendships have and how to identify our feelings. Hedgehogs will also think about strategies to show self-compassion.</p>	<p>RE Our concept for this half term will be 'special' and we will explore special foods to us and what Christians and Jews consider foods special to them.</p>
