

IAPS Wraparound Care

CHILDREN'S AGREEMENT

When I am at this Club, I understand that:

- We will all try to get along and have fun together.
- There will always be a choice of activities.
- Not all activities will be out at once. This might mean that an activity that I want, won't be out that day.
- If I don't play with something respectfully, I will be asked to play with something else that is available. Others may continue to play with the activity I was playing with.
- If I am disrespectful to others or an activity, the club leader will help me to change my behaviour so that I can make the right choices.
- I know that my parents will be told about my choices.
- If the club leader and Headteacher do not think I am being safe, I may not be able to continue attending.
